

AISL Parents,

You are Welcome. For those parents who are new to AIS, you will learn to appreciate this phrase. If you are a new family at AIS, we look forward to serving your child and getting to know you. For returning parents, we look forward to welcoming your child(ren) and you back shortly.

The campus is a whirl of activity as we prepare the school and grounds for the upcoming year. The staff and teachers are working hard to ensure the school year gets off to a great start. Remember that our first day of school will be on Monday, August 17th. Class lists for Pre-K through 5th grade will be posted on Thursday (13th) at 1:00 pm in front of the main office. Though it is not necessary to come to the school to check the lists prior to the start of school, many of the students are eager to find out who their teacher will be for the upcoming year.

As the new school year approaches, I wanted to highlight a few procedures and guidelines for you. This year, we need your assistance in creating the best learning environment possible for your child(ren). The school is requesting that all parents who choose to come early to pick up their child(ren) wait at the picnic tables by the gymnasium and refrain from congregating in the main courtyard next to the office. Also, it is important to remember that students must be in school uniform attire. The school will be strictly enforcing the uniform this year. Students who are not in uniform will be sent home to change. For a list of the uniform guidelines, please consult our website or your child's student/parent handbook. Lastly, please remember that our campus opens at 7:00 am and closes at 4:15 pm unless a student is in a supervised after school activity. Once a student's school day finishes (2:10 or 3:00 pm), students must be supervised by an adult. Students who are not supervised will be asked to leave campus.

We are all looking forward to another great year and a strong partnership between us!

Sincerely,

Thomas Shearer
