

## Message from the Superintendent

On Tuesday, the school board voted to expand our Spring break holiday by adding Friday, April 15th as a day off to allow for uninterrupted travel over Spring break. Students will be dismissed on Thursday, the 14th at 1:00 pm. The additional day will be made-up with the Y day that is scheduled for May 27th (now a day of school).

Next week (Jan. 31st-Feb 4th) is the PTO book fair. Students will have the opportunity to purchase books during their Library (Pre-k-5) or English class (6-12). This is a wonderful event that the PTO puts on annually. For those who are new to AISL, the PTO has purchased a variety of books for all ages of students providing students the opportunity to purchase some incredible books that your child might not find locally. Don't miss your opportunity to purchase an exciting new book.

Next Thursday (Feb. 3rd) the 8th grade will be traveling to the new High School to tour the site. 8th grade parents, please make sure to sign and send in your student's permission slip. The administration is also in the planning stages of scheduling additional dates for parent tours of the new High School. Those dates will be published shortly.

A plethora of students are starting to 'hang-out' after school and it is becoming a problem. The school encourages students to be involved in our after school activities, sports programs, and the use of the library to study. We discourage students from roaming the campus with friends after school. Please note that students should leave campus when their last activity/class has finished or wait at the front gate for their ride.

## Upcoming Events
